

Bridgwater Shooting Club 2020

Renewal Reminder

Dear Club members,

I hope you have all managed to weather the trials and tribulations that 2020 has poured on us and perhaps been able to find some socially distant shooting locally in order to “keep your eye in”.

The Committee considered options for reopening in August/September but the logistics of which were deemed too complicated. May I draw your attention to the Minutes of this year’s AGM which are on the website for your perusal as there are some small changes within the Committee member roles.

Firstly, here are some provisional dates for your diaries:

| | |
|------------------------------|--|
| <i>Pre-season work party</i> | Saturday 27 th March 2021 |
| <i>Shoot Season</i> | 1 st April to 23 rd September 2021 |
| <i>Social/Awards eve</i> | Saturday 30 th October 2021 |
| <i>Date of next AGM</i> | 7 th November 2021 |
| <i>Christmas Shoot</i> | 5 th December 2021 |

Secondly, a reminder that membership fees have changed to £20 PA. All fees paid for 2020 will be credited towards next year’s fees. Those of you who paid £10 in 2020 will only need to pay £10 for your 2021 membership (therefore, existing standing orders should not be changed until AFTER payment has gone through). All new standing orders will need to be for £20.

Bank Details for online/automated payments – **Sort Code: 60 03 27, Account No: 53195795.** All online payments must include YOUR NAME as a reference.

Thirdly, the cost of cartridges has increased to £6 per box. If paying by cash it would be very helpful if the correct monies could be given.

Registration forms.

At some point all new and existing members will need to fill out a new, revised registration/membership form. For anyone paying their renewal electronically you can fill out a form in person at the club next year however, it would be appreciated (and save time) if the form could be printed and completed at home then brought with you when you next shoot. When completing your email address, it is vital that it be printed clearly as some addresses on our email list have "bounced".

I would like to remind everybody to keep up to date with events by checking the web site regularly throughout the season. New information is posted almost every week. Please also remain familiar with the Club rules and safety requirements and "help" each other to comply. With the added pressure of remaining socially distant likely it is vital that we all adhere to whatever tier restrictions may (or may not) be in place.

On behalf of the Committee, I would like to wish you all a very Merry Christmas and above all a happy and HEALTHY 2021.

With warmest regards,

Justine Howe
